## ***Faith Described - Hebrews 11:1***

### ***Bob-servations:***

- Faith is a process - Romans 1:17
- Faith is measurable - Matthew 6:30, Matthew 8:10
- Faith may seem small - Matthew 17:20
- Faith has an end - 1 Peter 1:9
- Faith is the victor that has overcome the world - 1 John 5:4
- Faith is visible - Matthew 9:2
- Faith results in action - James 2

- 
- *“Faith is the divinely implanted principle of inward confidence, assurance, trust and reliance in God and all that He says.”* New Spirit Filled Life Bible Commentary

**NKJV** - Now faith is the substance of things hoped for, the evidence of things not seen.

**TPT** - Now faith brings our hopes into reality and becomes the foundation needed to acquire the things we long for. It is all the evidence required to prove what is still unseen.

**NIV** - Now faith is confidence in what we hope for and assurance about what we do not see.

**Young’s Literal** - And faith is of things hoped for a confidence, of matters not seen a conviction

**Message** - The fundamental fact of existence is that this trust in God, this faith, is the firm foundation under everything that makes life worth living. It’s our handle on what we can’t see.

**ERV** - Faith is what makes real the things we hope for. It is proof of what we cannot see.

**AMP** - Now faith is the assurance (title deed, confirmation) of things hoped for (divinely guaranteed), and the evidence of things not seen [the conviction of their reality—faith comprehends as fact what cannot be experienced by the physical senses].

- *“Faith makes you sure that the future things you hope for (even though you don’t have them yet) are really yours so you learn to count on them as if you already have them.”* David Gooding
