## What's the Deal with Grace?

**Grace:** *“That which bestows pleasure, delight, or causes favorable regard. The friendly disposition from which the kind act proceeds; graciousness, lovingkindness, goodwill, favor. There is stress on its freeness and universality, its spontaneous character, as in the case of God’s redemptive mercy and the pleasure or joy He designs for the recipient, thus it is set in contrast with debt, with works and with the Law.”* Vines Bible Dictionary
